

## MPs asked for comment on Boris Johnson lockdown party revelations

**ALL AREAS:** Prime Minister Boris Johnson apologised to the nation this week for attending a social gathering in the Number 10 garden during the first coronavirus lockdown.

The Conservative MP came under fire after details emerged of an event organised on May 20, 2020, where Downing Street staff were told to 'bring your own booze'.

Mr Johnson appeared at Prime Minister's Questions yesterday and told

the House of Commons: "I know the rage they feel with me and with the Government I lead when they think in Downing Street itself the rules are not being properly followed by the people who make the rules.

"I have learned enough to know there were things we simply did not get right and I must take responsibility."

The Uxbridge and South Ruislip MP said he 'believed implicitly' he had

been attending a work event.

The Advertiser contacted MPs in Maidenhead, Windsor, Beaconsfield and Slough for their response to the latest revelations.

Adam Afriyie, MP for Windsor, said: "People are rightly concerned about all the rumours about parties and the Prime Minister was right to explain and apologise. We must now wait for the report into the facts of what actually happened.

"He has done wonders for this country with our vaccine rollout and keeping people in work and he has my full support in levelling up our country."

The offices of Theresa May and Joy Morrissey had not responded to a request for comment at the time of going to press.

Slough's Labour MP Tan Dhesi said Mr Johnson should do the honourable thing and resign.

### Public Notices - Planning

### Public Notices - Traffic

#### THE ROYAL BOROUGH OF WINDSOR & MAIDENHEAD HOWE LANE (PART), BINFIELD (TEMPORARY PROHIBITION OF DRIVING) ORDER 2022

The Royal Borough of Windsor & Maidenhead intends, not less than seven days from the date of this Notice, to make an Order, the effect of which will be to:

Prohibit any vehicle from proceeding along that part of Howe Lane from its junction with Drift Road to its junction with Westley Mill.

The diversion for vehicles affected by the Order is via Howe Lane, B3018 Twyford road, B3018 Church Hill, B3018 Church Lane, B3018 Tilehurst Lane, B3034 Forest Road, A3095 Maidenhead Road, A330 Ascot Road and Drift Road.

The purpose of the proposed Order is to facilitate works on the highway, namely carriageway repairs, and as a result there is the likelihood of danger to the public.

The proposed Order will be in operation from 09.00 hours on Tuesday 1 of February until 16.00 hours on Thursday 3 February 2022. There will be a prohibition of driving when signs as prescribed by the Traffic Sign Regulations and General Directions 2016 are in place to indicate the said restrictions. If you wish to have more information please call Mr Jason Baker of Volker Highways on 01753 483 300.

Dated: 13 January 2022

## Cookham Dean: Football club applies to extend hours

Each week, the Advertiser publishes public notices containing important information affecting the community you live in. These statutory notices help keep the wider public informed about key issues, from plans to develop a block of flats in your neighbourhood to an application by your local bar or pub to serve alcohol for longer.

By Adrian Williams  
[adrianw@baylismedia.co.uk](mailto:adrianw@baylismedia.co.uk)  
@AdrianW\_BM

In the public notices this week, a multitude of roads are set for closure towards the end of January in Hurley, Cookham and Marlow.

### Roads

The Borough is seeking to close the road at Honey Lane, Hurley from the northern boundary of Beech Lodge northward to its junction with A4130 Henley Road.

The proposed order will be in operation daily between 8am and 6pm from Monday, January 31 until Friday, February 11.

This is to facilitate works on the highway, namely to perform fibre broadband ducting works. The diversion route will be via Honey Lane, Burchetts Green Road and Henley Road.

Another closure in the area is at Hurley Lane from its junction with A4130 Henley Road to its junction with A404 at Hurley to allow Gigaclear contractors to undertake 'essential fibre optic cable installations.'

Restrictions begin at 8am on January 17 and will continue for no longer than 18 months - but it is expected

that work will be completed by 6pm on January 31.

The alternative route will be via Henley Road then along A404 from Burchetts Green northwards to Henley Road junction and by this route in reverse.

Howe Lane, from its junction with Drift Road to its junction with Westley Mill, is also set for closure from 9am on Tuesday, February 1 until 4pm on Thursday, February 3.

The alternative route will be via Howe Lane, B3018 Twyford road, Church Hill, Church Lane, Tilehurst Lane, Forest Road, A3095 Maidenhead Road, A330 Ascot Road and Drift Road.

The closure is so that carriageway repairs can be completed safely.

A further road closure is planned Kings Lane from its junction with Cookham Dean Bottom to its junction with Dean Lane.

This will be in operation between 9.30ams and 3.30pm on Wednesday, February 2. The alternative route is via Dean Lane and Cookham Dean Bottom.

Another closure is set for A308 Marlow Road to its junction with Dungle Hill Lane for fibre broadband ducting works.

It will be closed each night

between 7.30pm and 6am, starting Tuesday, February 1 until Monday, February 14.

The diversion route will be via Lee Lane, Pinkneys Drive and A308 Marlow Road.

Lastly, Hurley Lane, Bisham will also be closed for its entire length between 8am and 6pm from Monday, January 17 until Monday 31.

The diversion route is to be via A4130 Henley Road and A404.

### Planning

Cookham Dean Football Club is looking to have a condition of its planning permission changed so its formal hours at its location in Long Lane can extend to 10pm - rather than 5pm.

The current restrictions at its site in Long Lane were imposed 'to protect the residential amenity from unacceptable levels of noise, smells or fumes beyond the site boundaries.'

Cookham Dean Football Club says this is 'puzzling' because 'this is not a residential area'.

"Moreover, sports pitches and associated sports pavilions are not generally regarded as significant generators of noise," the club wrote.

"The conditions have the effect of preventing the proper use of an otherwise hugely beneficial community asset. [They] prevent any evening training sessions on the site [and] board meetings or team meetings in the pavilion that could not possibly be the source of any perceptible harm to [residents]."
